HONEY HARBOUR BOAT CLUB

April 7, 2020

NOTICE TO MEMBERS

We hope that everyone has been able to stay safe and healthy over these difficult times of the COVID-19 pandemic.

As of April 3rd, the Ontario Government has tightened up their list of essential businesses. They have specifically excluded marinas as an essential service.

Point 21. Of the List of Essential workplaces states the following:

21. Businesses and facilities that provide transportation services, including;

ii., C. marinas, but only to the extent that the marina is necessary to enable individuals to access their primary residence place of residence.

Since the vast majority of our membership uses their cottage as a secondary residence, we feel that the Boat Club must conform to these orders and be shut down as of Saturday, April 4th, 11:59 pm. This means that the members can no longer use the Boat Club as an access point to or from their cottage.

It is our understanding that this closure will continue until April 18th but could possibly be extended by the provincial government.

Effectively this closure may not impact our operations too much as we are unable to launch boats until the end of April. We will continue to provide members with updates on our closure as new information becomes available.

We urge you to respect the order from the Government of Ontario. Their concern is our concern which is for the safety of our staff, members, customers and the community.

Stay home. Stay safe. Continue physical distancing.

THE BOARD OF DIRECTORS

HONEY HARBOUR BOAT CLUB
